

MUHAMMAD HASAAN

Data Science Student

About Me

I'm a passionate 3rd Semester Student who loves AI, development, and strategy. Curious, ambitious, and always learning, I'm driven to build, explore, and innovate.

+92 324 1571933

hh7233279@gmail.com

Near THQ Hospital
Talagang District Chakwal

Language

- English
- Arabic
- Urdu

Expertise

- 2+ years Experience with Python
- 7+ Web development Projects
- Knowledge of ML Frameworks
- Own 4 Badges Across the Internet

[Github Link](#)

[Portfolio Link](#)

Major Projects

- **Chess AI Development with Minimax Algorithm and Alpha Beta Pruning**
- **Development of deep Q-Learning Agent for Chrome Dino Game**
- **2D Car game Made in pygame Trained with Genetic Algorithm without using tensorflow or Pytorch**
- **World Population Prediction ML Project made with Keras + scikit Learn to predict Population per sq Areas**
- **A virtual City with auto Navigating Traffic with complex Road network and 3D rendered Houses and Trees, built in Python**
- **2D Parkour Game Trained with Genetic Algorithm in Python without using any AI Library**

Miscellaneous Projects

- Tic Tak Toe With AI Project in C++
- Snake Game with A* Path Finding Algorithm
- OpenAI Gym CartPole RL Training
- Flappy bird AI using Genetic Algorithm in Python

Leadership Experience

Led a civic initiative supporting orphaned children in Islamabad; organized outreach, raised funds for education, and managed all project operations

My most Inspiring Expertise

Solved about **300+** [Leetcode Problems](#) and have strong grasp in Programming and basic DSA

Education

Steps College Talagang

FSc in ICS with
marks: 1023 / 1200
2022 - 2024

FAST University

Bachelors in Data Science
CGPA: 3.28 SGPA: 3.44
2024 - Present

Python for Data Science Certificate

Intro to Python, Pandas and APIs [By IBM CognitiveClass](#)

Machine Learning with Python Certificate

Intro to Machine Learning Algorithms [By IBM CognitiveClass](#)

Data Science 101 Certificate

Intro to Data Science, Theory, Practice, Application [By IBM CognitiveClass](#)

Hobbies

Chess, coding, Project Management, Game development
